

Dear Members,

The Canadian Federation of Students has been actively monitoring the outbreak of COVID-19 and the measures taken by governments and post-secondary institutions. Below you will find our official statement on this issue as well as a toolkit, which is a living document, that Member Locals can use to respond to the needs of students. Please feel free to send us information you would like to see included in this toolkit.

Migrant Students United: COVID-19 Information Webinar

In addition, the Migrant Workers' Alliance for Change is putting on a webinar on immigration and healthcare coverage for migrant students on **Friday at 12 p.m.** To participate, please register now here: <https://forms.gle/DScvHCuFdWyGCv2b6>

We will be updating our statement and social media to provide you with the most recent information on how COVID-19 and how the measures governments and institutions are taking will impact students. Make sure to follow us on Facebook, Twitter and Instagram @CFSFCEE for all the latest.

In Solidarity,

Sofia Descalzi
