## About Us

Hello and welcome to New Paramount Studios, it's our pleasure to meet you.

New Paramount Studios is one of the oldest photography studios in North America and since 1930 we have been providing the very best in portraiture. Great variety, great service and great people. We're looking forward to meeting you.

## What can I expect at my photo session?

We offer 15 minute photography sessions so try to be there about 10 mins before your appointment for registration.

We provide all the necessary regalia in terms of gowns, graduation caps and appropriate school/program sashes.

We also provide a wide selection of props to use in your photographs, however if you wish to bring your own, great !

Musical instruments, sports gear, program related items are all welcome.

You will receive an unlimited number of photographs within your sitting session and we encourage casual photographs, photographs with friends and family and business photographs (eg. LinkedIn)

Our images are taken in front of our greenscreen background, allowing you choose from a large number of different backgrounds making your photographs your own.

## What to wear?

It's always nice to look your best. Shirt, blouses, and ties offer separation between your head and your gown and frame things nicely.

If your looking for casual or business photographs, dress the part.

Be yourself and let it shine.

## When will I receive my online proofs/ How to Order?

Your proofs will be posted online approx. 3-5 days after your sitting..

Just log into [newparamount.com](http://newparamount.com) and enter "View & Order", use your email & passcode to see all of your photographs.

Please remember that these are only rough proofs.

Retouching, image enhancements and colour corrections will be performed on all photographs ordered.

You can give us any special instructions just by filling out the special instruction box.

We have a wide variety of packages, prints and digital files to help you.

All of our work is presented in art folios, and we offer only the best in professional printing and hand crafted images.
