

What are the sitting fees?

Sitting fees cover the cost of the photographers time, regalia, uploading images online, online proofing and ordering, It also includes composite creation and print for the composite program.

There are 2 sittings fees, Composite and Non-Composite.

Upon booking your appointment online you will see the associated pricing.

To Book log onto newparamount.com and click on BOOK.

Composite Programs have photographs taken so that the images are placed on a school composite with all your classmates. You will then receive an 11x14 composite print which will be completed and distributed at convocation. If you cannot attend convocation we would be happy to ship one out to you or you can pick it up at one of our 2 studios.

Non-Composite Programs have all same services and requirements as the Composite program without the 11x14 composite print.

When are orders completed?

We offer online proofing and ordering of your photographs. Finished photographs usually take between 4-6 weeks after receipt of the order depending on the time of year.

What is included with my finished photographs?

All finished photographs ordered include free retouching and art folders on all 5x7 and 8x10's.

Special offers on free frames and other gifts items are included in alot of our packages.
