Follow applicable policies
We will follow the Student Association's Clubs Policy, other applicable Student Association policies, George Brown Polytechnic policies, the Student Code of Conduct, and applicable laws.

Use names and branding appropriately
Official recognition allows the club to identify itself as a recognized student club. It does not authorize the club or its members to speak or act on behalf of the Student Association or George Brown Polytechnic unless written authorization is provided.

Take responsibility for club activities
We will plan and operate club activities in a safe, respectful, inclusive, and lawful manner, and obtain all required approvals before activities take place.

Protect club records and assets
Club funds, records, email accounts, social media accounts, files, and other assets belong to the club and must be used for approved club purposes and transferred to incoming executives when required.

Accept accountability
We understand that failure to meet these responsibilities may affect the club's recognition, access to funding, or ability to operate. To the extent permitted by law, the club accepts responsibility for claims, damages, liabilities, or legal costs resulting from its activities.
